

Wine Fundraising 2018

Langmeil is committed to making premium Barossa wine of the highest quality and believe the secret lies within the vineyard.

Biodiversity thrives amongst the dry grown vines to ensure each site is in balance with nature. Allowing such harmony with the natural environment is a responsibility Langmeil takes seriously as custodians of the land. These vineyards, along with other family-owned sites in the cooler Eden Valley and southern grounds of Lyndoch are the foundation to all the wines bearing the Langmeil name.

We will be having our Labelling, Fellowship and Pickup Day at Langmeil Winery, Tanunda on Saturday 17th November 2018.

On Offer
